# 夏が終わっても暑い

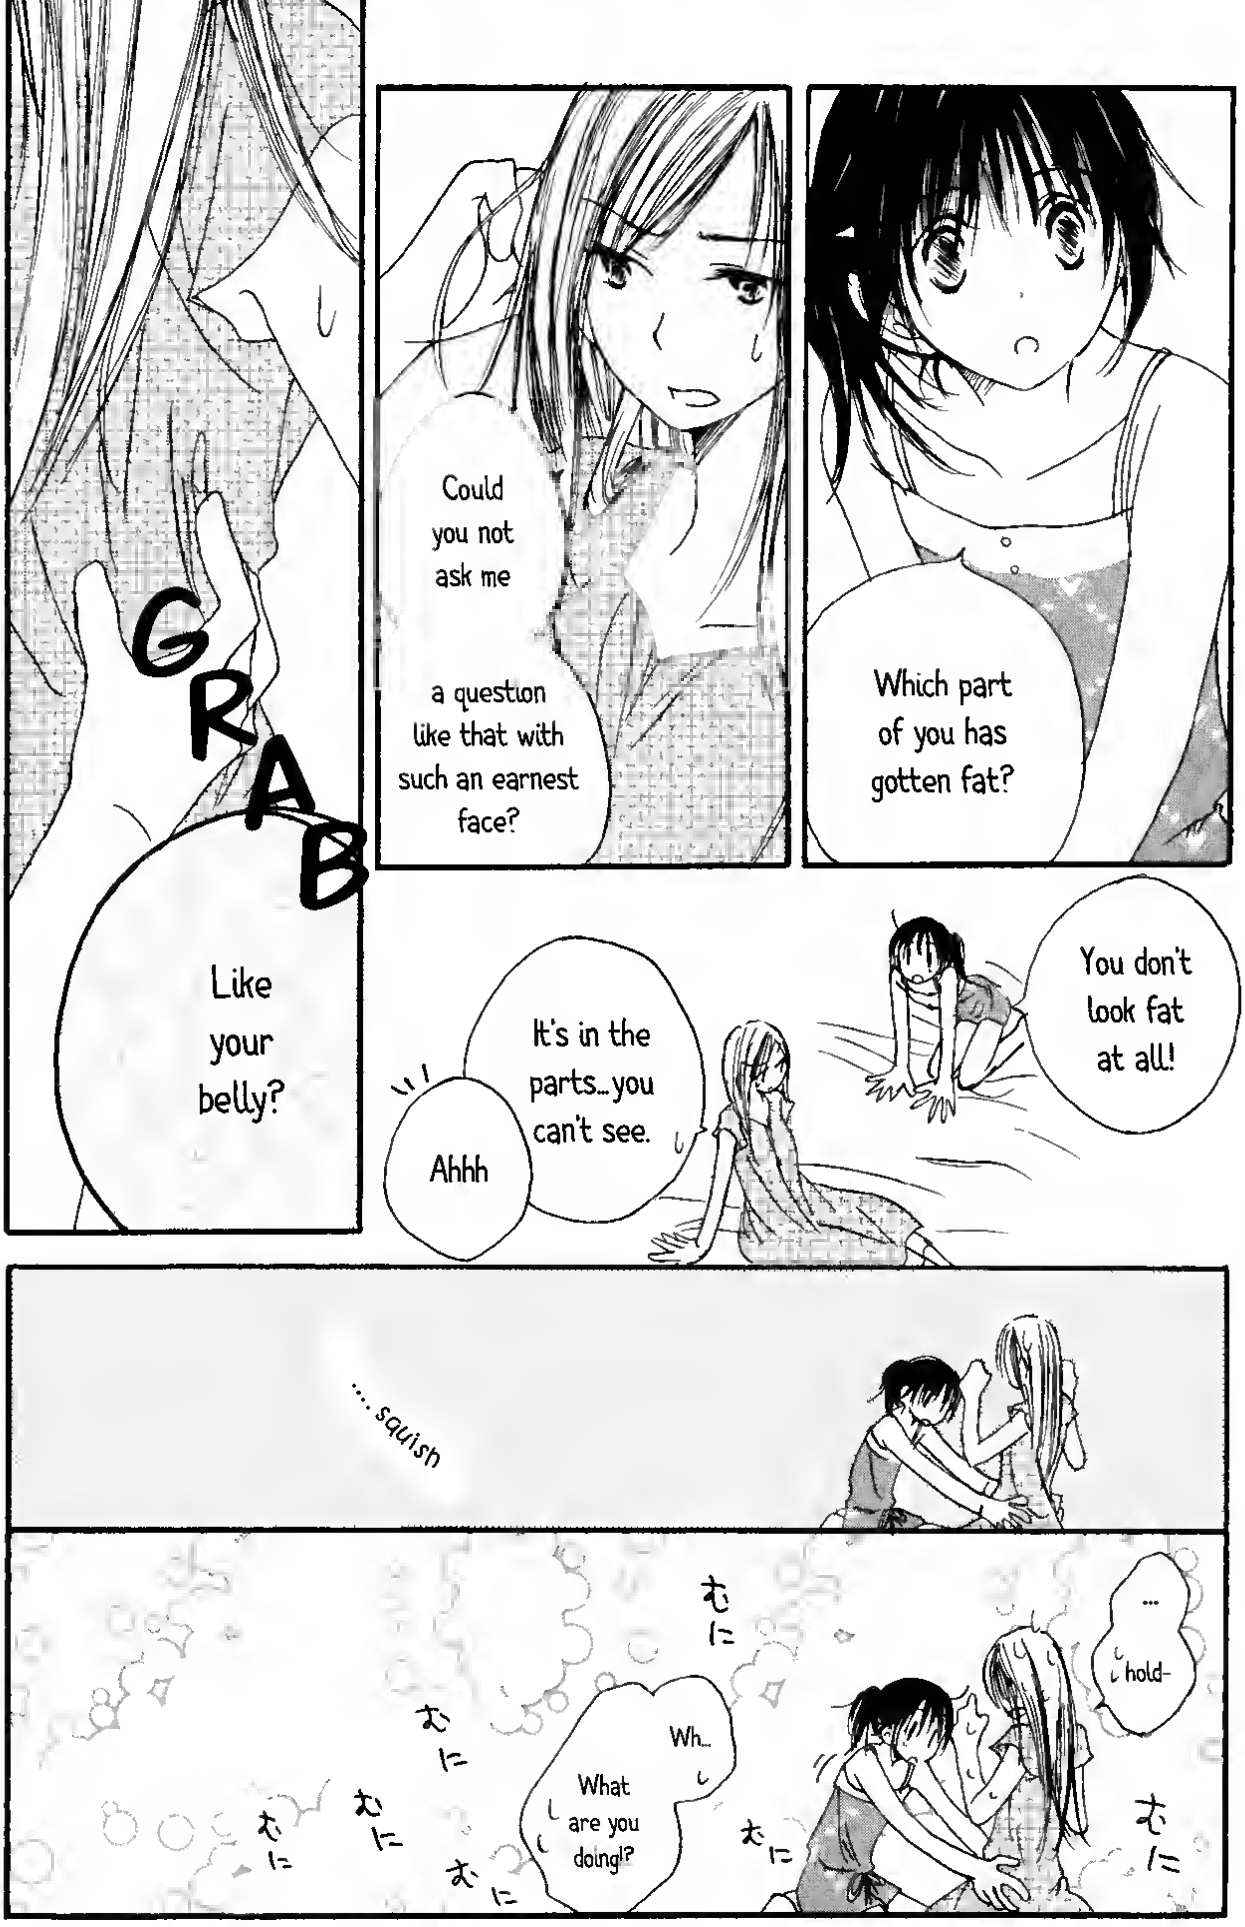
IT'S A BIKINI.
I don't have a bathing suit, so I can't go.
Eh...
...you said that to me and turned me down.
As I recall,
when I invited you to the pool, right after the rainy season ended...
Wow...it's really cute... how nice...
Wow... wow...
W-
Wait?
Waahh
Hm?
Cd.02
SIZE M/D
¥.16800
Huh?
Did you buy it after that? Why didn't you tell me? Did you go to the pool with someone else?
Or...could it be you already had this when I invited you...? A boyfriend? Did you get a boyfriend?
Hold-
Megumi!

When I turned down your invitation, you looked really dejected.
I thought I'd buy myself a bathing suit and then reinvite you...
...
But, when I really thought about
why I hadn't had a bathing suit in the first place-
It's because I've gotten fat, and I don't want people looking at me!
Please- listen to me
The price tag's still on it...
Which part?
In the end, I never did reinvite you-
Yet still, I thought by getting a bikini, I might force myself to diet...
Well, but, with one thing and another...



GRAB
Like your belly?
Could you not ask me a question like that with such an earnest face?
Which part of you has gotten fat?
You don't look fat at all!
It's in the parts...you can't see.
Ahhh
...squish
むに

むに
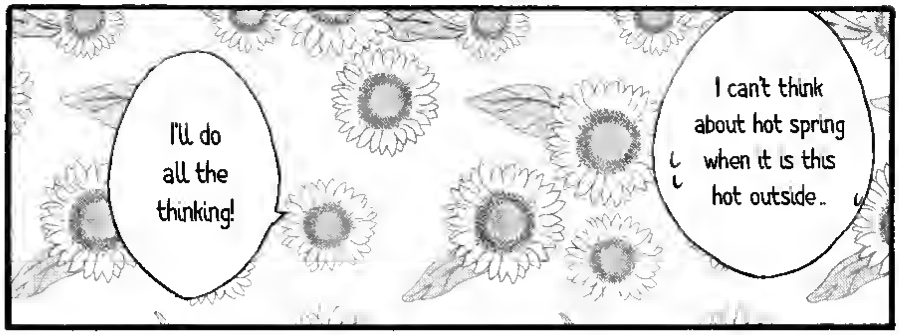
What are you doing!?
Wh...
...hold-

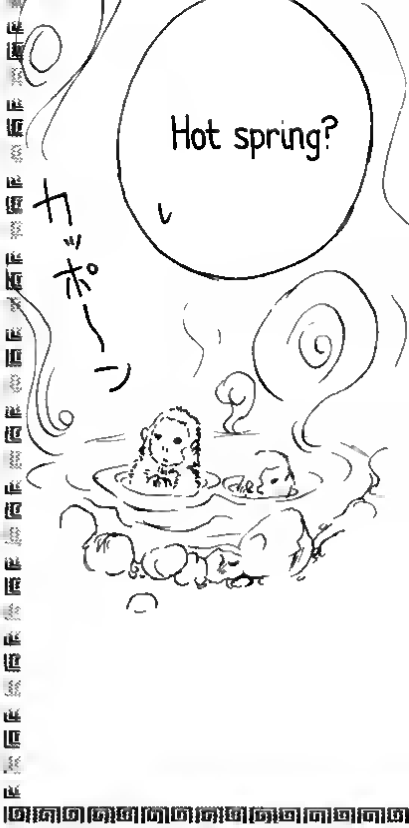
Ehehe
You don't have to go on a diet.
Because, your soft, sproingy belly feels really good...
むにゅ
Hmmm?
...why not?

THUD
AIEE EEE
You started it, kneading my belly like that!
A-
Awful!
That was harassment!
Sob Sob
Well.. that's certainly flat enough to shock anybody..
WHA? WHAT!?
EE- EE- EEEEK!

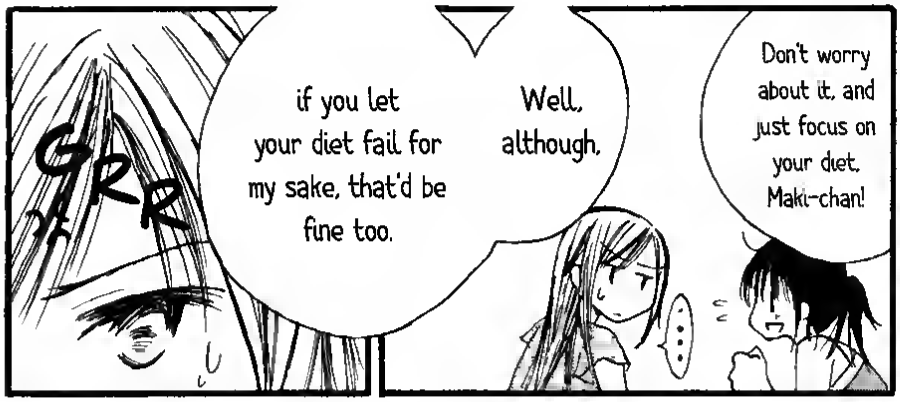
why don't we just go to the pool now?
Say,
Yuck, it got cold
But it's fall now
That's just what the calendar says.
Summer heat is still around
Feel how hot it is today
Beep Beep
I wonder how late in the season the pools stay open...
Ah, here's one that is open till the end of September...
End of Septem-ber...
Then, in that case,
Do you think your belly will be in good enough shape by winter?
What?
We'll go to a hot spring!
Ehh...
I don't think I'll have time to effectively implement my diet by then.
Heh heh heh...



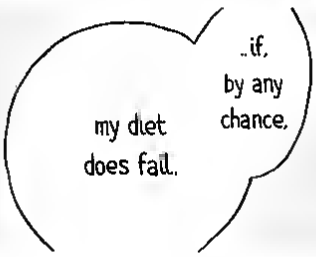
I'll do all the thinking!
I can't think about hot spring when it is this hot outside..



Hot spring?
カッポーン

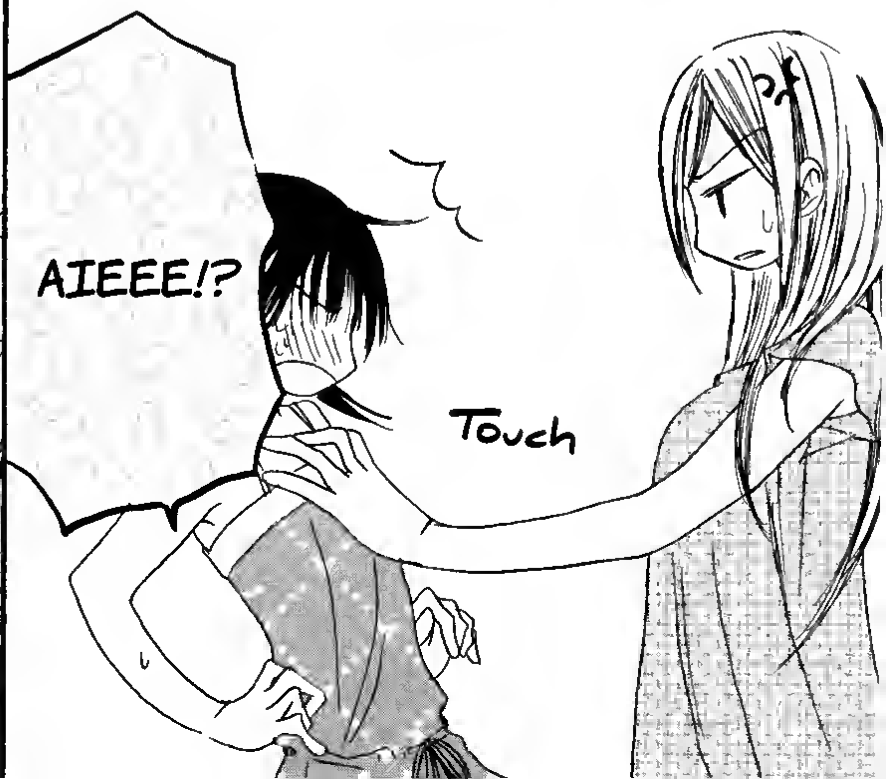


GRR
if you let your diet fail for my sake, that'd be fine too.
Well, although,
Don't worry about it, and just focus on your diet, Maki-chan!



..if, by any chance,
my diet does fail..

I'll put a curse on your chest to remain as a board for all eternity
I...
it's not a board...
No, it's basically a board.
End



AIEEE!?
Touch
